

**DELHI WORLD PUBLIC SCHOOL, DEWAS**  
**DEWAS UJJAIN SAHODAYA SCHOOL COMPLEX**  
**MATHEMATICS TEACHERS, WORKSHOP 2019**  
**(Teaching Mathematics, Mathematically Correct Way)**

November 23,2019

**REPORT**

Under the aegis of Dewas Ujjain Sahodaya Schools Complex, a Workshop for Mathematics teachers on “ Teaching Mathematics in Mathematically Correct way” was conducted in Delhi World Public School, Dewas on Saturday, November 23,2019.

Dr.Aditi Singhal, renowned Mathematician, Guinness World Record holder, Founder of Dynamic Minds Group and author of many books was called as the resource person.

The workshop commenced after the Formal Introduction and ceremonial welcome of the Guest speaker.

Dr. Aditi Singhal very effectively explained various tricks of mathematics to the teachers for easy calculations like the Tricks based on multiplication, Tricks to learn tables. She also explained teachers how to handle students when they provide incorrect answers. Teachers were told about various activities based on mathematics which could be easily conducted in the classroom. The resource person also talked on how to teach Open ended and closed ended calculations.

74 teachers from the Member Schools including 3 teachers from the host school attended the workshop. Teachers present there found the workshop very effective and fruitful. Lunch was served to all the guests and participants.
